HSUHK wins iRecycle Sustainability Award - Diamond Award

24 October 2025

HSUHK won the Diamond Award under the “iRecycle Sustainability Award” by iRecycle Charity Foundation. The award was presented to HSUHK on 24 October 2025.

This award aims to recognize the efforts and contributions of businesses in promoting sustainable development goals and to encourage more companies to adopt sustainable strategies and policies. Among the recipients, HSUHK was nominated as an SDG Merchant and met the highest level of green procurement requirements, receiving the Diamond Award.

Mr Jason Ho, Assistant Manager (Health and Sustainability) (3rd left), and Mr Albert Mok, Executive Officer (2nd left), represent HSUHK to receive the award.
